If you enjoyed The Hebden now is your chance to enter another event in Calderdale on paths you may not have used previously. Our route for summer is organised by the same team who bring you The Hebden and offers in abundance the same scenic and challenging aspects of the area. You can expect ups and downs over moors and valleys on tracks and paths with a comprehensive route description to get you round. There is a long route of 28 miles providing a demanding challenge and a 19 miles route for those less experienced or who prefer a less strenuous route. Our aim is to ensure you are well supported throughout, leaving you to enjoy the day.
